

ProSpeed^{TM/MC}

Floor Finish Applicator System

An integrated system that delivers a more consistent appearance, improved productivity, and virtually eliminates product waste.

Increase Productivity

- Dramatically reduces set-up and clean-up times
- Faster application time to apply finish

Increase Quality Results

- Easy training
- Consistent application

Cost Savings

- Reduces chemical usage
- Reduces labor cost

Safe & Easy To Use

- No contact with finish, no components to clean
- Ergonomic design reduces user fatigue

Sustainable System For The Environment

- Saves water as no clean-up is required
- Reduces waste of finish and packaging
- Contributes to increased indoor air quality

Designed For

**BUILDING SERVICE CONTRACTORS
HEALTHCARE
EDUCATION**

Use Overview:

ProSpeed™/M/C Floor Finish Applicator System simplifies the process of applying floor finish with an ergonomic application tool, a simple delivery system for the finish, a 2.5 liter BIB (Bag-in-Box) of finish and an applicator pad.

JohnsonDiversey offers **Signature™/M/C High Performance UHS Finish**, **Vectra® High Performance Floor Finish**, **FrescoMax™/M/C Low Odor Floor Finish**, **High Mileage® UHS Floor Finish** and **Aquaria® Floor Finish** with the ProSpeed™/M/C Floor Finish Applicator System.

Each case of floor finish comes with six BIBs, four pads and six connector tubes.
