

Getting into green? You're going to need a guide.

Your customers want **safe, healthy environments** for their employees. This has increased the demand for **Green Cleaning**. Not just **green products**, but **comprehensive green cleaning**. Our **ResponsibleSolutions™/MC** program can help. We provide a powerful combination of products, implementation materials and training that helps deliver a **safe and healthy environment**.

We have a long history of developing environmentally responsible, effective products. Green cleaning is no fad. It's the new way of doing business. If you're getting into green, you're going to need a guide. Contact your Johnson Wax Professional distributor or representative or call 1-800-558-2332.

Your best partner for safe, healthy, high-performing facilities.
