

Tapi

Tapi Spotex 2

Carpet Stain Remover

Water based spot and stain remover for the removal of common stains from carpet or upholstery.

Particularly effective at removing water based stains such as juices, coffee, tea, ketchup, wine or blood.

PRODUCT BENEFITS:

- Particularly effective on water based stains and spots
- Easy to handle and use for both emergencies and as a pre treatment prior to extraction cleaning.
- Safe to use on all carpets including wool
- Endorsed by the Woolsafe Institute
- Incorporates ONT - Odour Neutralising Technology
- The ONT technology destroys malodour molecules thus enhancing the fresh apple fragrance
- No need for complicated stain removal kits - a very simple solution for most types of stains
- Convenient ready to use trigger spray

DOSAGE:

This product is ready to use.

Application

Tapi Spotex 2

Application:

Dry vacuum the spot or stain. Remove any solid particles by gently scraping the carpet surface with a plastic scraper. Remove any liquid by blotting with a clean, white absorbent cloth or paper towel. Spray product directly on to the soiled area. Leave to act for 30 seconds then blot the treated area with a paper towel. Work from the outside of the stain to the centre to prevent spreading. Blot (do not rub) with an absorbent cloth or tissue. Repeat if necessary. For best results, rinse with clean water to prevent re-soiling. Allow the treated area to dry.

For oil based stains use Tapi Spotex 1

Important:

Always test colour fastness and material compatibility in an inconspicuous area before use.

Safe Storage and Handling:

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.

Only for professional users / specialists.

Store in original closed containers away from extremes of temperature.

Technical Information

Appearance:	clear, colourless liquid
Relative density [20°C]:	1.00
pH-value neat:	6.8 - 7.3
