

Introducing TimeSaver SR™

**Who said you
can't buy time?**

**Johnson Wax
PROFESSIONAL**

Saves Time. Saves Money.

If time is money, you're looking at money

TimeSaver SR™ floor finish saves “big-time” by reducing labor:

- **Less floor maintenance downtime**
- **Reduces application time**
- **Uses fewer coats**

“Big-time” features:

- **Ultra high solids** – fewer coats to achieve high gloss appearance.
- **Superior resistance to black heel marks & scuffing!**
- **Non-yellowing** – excellent clear color retention!
- **Excellent gloss build compared to conventional scrub & recoat products!**
- **Low odor** – the product of choice for patient rooms, hospital hallways – anywhere that finish odor may be a problem.
- **Easy to use** – apply with conventional mop. **No special applicator required!**
- **Responds well to burnishing and buffing on a variety of resilient and non-resilient floors.**
- **Easy to remove.**

Easy on the eyes, easy to apply.

Avoid missed spots or stepping in wet finish!

TimeSaver SR™ floor finish is a unique formula that is milky white upon application and dries to a clear, glossy finish.

Specially formulated with a unique polymer developed by Johnson Polymer. Excellent initial gloss and gloss retention, even with fewer coats!

**Johnson
POLYMER**

ey in the bank.

Saves Time. Saves Money.

Don't take our word for it...

"TimeSaver SR™ floor finish has great durability and high value in protecting the floor and keeping a base. The reduction of coats needed for gloss build was excellent. We were able to reduce the recoat time from 5 to 3 hours and noticed no traffic patterns by elevators or escalators."

- Educational Institution, Philadelphia, PA

Photograph taken after a 6 week field test versus a competitive high solids floor finish cleaned daily.

Real world, real results.

TimeSaver SR™ floor finish has excellent cleanability and non-yellowing properties.

TIMESAVER SR™ FLOOR FINISH

COMPETITIVE HIGH SOLIDS FINISH

"With TimeSaver SR™, we know that when we re-coat, one coat does the job of two. It delivers excellent performance with minimal maintenance. The dry time is significantly faster than other products."

- Service Organization, Greenville, SC

"After using TimeSaver SR™, there was a noticeable reduction in odor. We noticed that the turnover rate in our patient rooms was faster start to finish, and the appearance level was easy to maintain."

- Medical Campus, Los Angeles, CA

A WORD ABOUT THE ENVIRONMENT

TimeSaver SR™ floor finish meets the highest VOC standards in North America. In addition, TimeSaver SR™ floor finish is one of Johnson Wax Professional's lowest zinc-containing formulas. These attributes, combined with numerous others, makes TimeSaver SR™ floor finish an excellent choice for your facility under the RESPONSIBLESOLUTIONS™ program by JohnsonDiversey.

TimeSaver SR™ Ultra High Solids Finish from
