

Contamination Prevention

Don't Bring Infection In!

You

Way in - Wear clean overalls and footwear

Way out - Cleanse and disinfect overalls and footwear, or launder and dispose of after use

Your Vehicle

Way in - Clean and disinfect wheels and contact points

Way out - Clean and disinfect wheels and contact points

Your Tools

Clean and disinfect all containers, crates, tools and equipment before and after use.

**Remember – if you have used it, disinfect it
If you have any doubt, ask for the manager**
