Enhance Antigum

Professional carpet care made simple

Chewing Gum Remover

- Completely removes chewing gum from floors
- Contains Odour Neutralising Technology
- Easy to use
- Ideal as a problem solver

Completely removes chewing gum from floors and carpets

Enhance Antigum is specially formulated to quickly and effectively remove chewing gum from floor and carpets. The solvent based formula works quickly to dissolve and soften to chewing gum allowing it to be easily removed. It is Woollsafe approved and is safe for use carpets and soft furnishings.

Contains Odour Neutralising Technology

Enhance Antigum contains odour neutralising technology. This technology works to destroy the malodours in floors, carpets and furnishings leaving a fresh apple fragrance.

Enhance Antigum

Easy to use

Enhance Antigum comes ready to use in an easy to use bottle. The gel formula and directional cap facilitate accurate product application. Simply apply the product directly onto the chewing gum and leave for a few minutes before blotting clean.

Ideal as a problem solver

Enhance Antigum, is also ideal for use as a problem solver. The solvent based formula also removes paint, oil and grease marks on carpets.

Step 1 of your professional floor care system

3 Simple Stages to Professional Carpet Care

Step One: Daily Cleaning

Use Enhance Antigum alongside Enhance Spot and Stain as part of your daily carpet care program to treat carpet spots, stains and chewing gum.

Step Two: Intermediate Cleaning

Use Enhance Foam Shampoo to either wet or dry foam shampoo your carpets as part of your intermediate carpet care program to restore appearance of your carpets and prolong the life of your carpet.

Step Three: Periodic Cleaning

Use Enhance Extraction cleaner to deep extraction clean your carpets as part of your periodic carpet care program. Extraction cleaning will restore the appearance of your carpets and will remove deep dirt and odours leaving carpets clean and fresh.

Pack Details

Product code: 420500

Pack size: 12 x 1L

Cases per layer: 11

Cases per pallet: 33

Inner bar code: 8711800911091

Outer bar code: 8711800411096

Technical Information

Appearance: Clear, colourless liquid

Dilution Rates

Use neat.
