Use Overview:

JonCrete™^{TM/MC} Daily Cleaner is highly effective at helping to extend the life of your floor coating by removing soils and oils from floors without dulling or altering the appearance of floor sealers or finishes. It also offers the flexibility of multiple dilution rates for either daily cleaning or deep scrubbing depending on soil loads and/or the specific needs of your maintenance program.

- Dilute product according to label directions
- Apply solution
- Pick-up soil and excess cleaner with an autoscrubber or tightly wrung-out cleaning mop
