

Lifeguard 3 Way Toilet Cleaner

3 Way toilet cleaner

Description

Phosphoric Acid Toilet Cleaner and Descaler

Key properties

Lifeguard 3 Way Toilet Cleaner is a powerful acidic formulation which easily overcomes even the toughest toilet cleaning tasks. Conveniently packed in one litre bottles, the angled nozzle directs concentrated cleaning power into any hard to reach area – yet it is easy and safe to handle.

Benefits

- Regular use toilet cleaner and descaler. Removes dirt and Limescale.
- New Neutrafresh technology neutralises unpleasant odours.
- Powerful phosphoric acid formula with added thickeners for extra cling.
- Powerful formula kills all known toilet germs.
- Concentrated perfume leaves behind a fresh, clean floral fragrance.
- Safe to use on stainless steel and chrome plated surfaces.

Use instructions

Toilet Bowls and Urinals:

1. **Protect hands with suitable gloves.**
2. **Flush the toilet and reduce the water level by forcing the water around the S-bend with the toilet brush. Check that the waste outlet is clear on urinals, if applicable.**
3. **Direct the angled nozzle under the toilet bowl rim and evenly over the entire surface of the toilet or urinal.**
4. **Leave for 5 minutes to allow 3 Way to work on stains and to kill germs.**
5. **Brush the toilet bowl or urinal paying particular attention to cleaning the toilet bowl rim and below the water line.**

Flush the toilet. Leave the urinal to flush automatically. Rinse brush after use.

Technical data

Appearance;	Pale blue liquid
pH:	1 – 2
Shelf life:	24 months
Dilution:	Ready to use

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Store in original closed containers away from extreme temperatures. Avoid contact with skin and eyes. Do not mix with any other chemicals other than as advised by your JohnsonDiversey representative.
