

Persil Low Suds

Low Suds gives you superior wash result...whatever the temperature.

Features

- Persil Low Suds is the only brand recommended by all leading manufacturers and distributors of front loading machines.
- Only specialist low suds detergent like Persil Low Suds protects your machine.
- Because front loading machines are different. The tumble cleaning action, low water usage and low energy consumption are very different to top loading machines so they need a different detergent to work at their best.
- To prevent damage to your high performance machine. Other detergents can produce too many suds when used in front loaders. The excess lather may cause flooding, impair cleaning and damage the machine resulting in costly repair.
- All temperature stain removal.
- The surfactants in Persil are readily biodegradable.

Suitable for

- The professional user in Hotels, nursing and residential homes, catering and leisure establishments for outstanding wash results.

Product Usage

- Avoid overloading the machine. DON'T add chlorine bleach. DON'T soak non-colourfast items. NOT suitable for silk, wool, or other delicate items.
- Hand & skin care –After use, rinse and dry hands thoroughly. If skin is sensitive or damaged avoid contact with the powder or wash solution.
- If swallowed remove from mouth, give fluids (1-2 glasses) to dilute, seek medical advice.
- If in contact with eyes, flush with water for at least 15 minutes, seek medical attention.

Also available in the Persil range:

- Persil High Performance Powder 6kg, 12kg & 10kg bucket
- Persil High Performance Concentrate 5kg
