

Product Information Sheet

VANISH JF

Description:

Vanish JF is a phosphoric acid toilet cleaner for frequent use on stainless steel urinals and toilet bowls as well as porcelain toilet ware.

Features:

- For use on all washroom hard surfaces
- Super concentrated “:Spill tite” J Fill system
- Quickly removes lime and scale
- Quickly cuts through soap scum, body fat and even suntan oil.
- Concentrated cleaning power that is effective on a wide variety of soils
- Pleasantly long lasting rose fragrance

Benefits:

- Safe on all toilet ware
- Very effective cleaning power. Dissolves body fats, soap and grease deposits that linger in washrooms
- Perfumed to leave a pleasant fragrance while cleaning

Instructions for Use:

1. Fill squeeze bottle or bucket with Vanish JF from the dispenser.
2. Apply directly onto surface to be cleaned.
3. Scrub with a toilet brush.
4. Rinse surface or flush toilet or urinal.

Dilution Rates:

For normal soil: Use Vanish JF automatically diluted at 1:40

For heavy soil: Remove upper tip and use Vanish JF automatically diluted at 1:20
